## Reidy Park Centre – March 2024 report

The Reidy Park Centre management committee last met on February 26<sup>th</sup>.

Due to work commitments, I was unable to attend this meeting, but the main discussion centred around the proposed 50% increase in power charges from AGL.

The committee is currently now searching for a new energy retailer that will provide our energy needs at a more favourable rate.

The next meeting is scheduled for March 25<sup>th</sup>.
