Reidy Park Centre – September 2025 report

The Reidy Park Centre management committee last met on August 18th for a special general meeting to discuss the following. Maxwell VK5AC, was also present as an observer.

- A draft lease agreement has been received from the Mount Gambier City Council governing all properties & reserves owned by Council. The document was thoroughly examined & numerous points were highlighted for further discussion with Council. As it was a “Generic Document” governing all Council properties, it was difficult to determine just what applies to the Reidy Park Centre. It was hoped that a formal lease document would be finalised by the end of this financial year.
- A quote from Stuckey Electrical to supply & install a street light at the driveway entrance was discussed, but rejected, due to the unjustified cost. Further investigation is now underway to acquire a suitable street light at a much lower cost.

The next meeting, being the AGM, scheduled for September 25th 2025.

Peter VK5BE

Reidy Park Centre representative
