Reidy Park Centre – October 2025 report

The Reidy Park Centre management committee last met on September 22ⁿ for the AGM. Maxwell VK5AC was also present as an observer.

Elections were conducted for the various position & most were re-elected, except for the Chair-person.

I advised the Committee that I was stepping down as Chair-person, but as no replacement could be found, I agreed to continue as an interim Chair-person.

Maxwell is considering the position, but not until he gains more knowledge of the “workings” of the Reidy Park Committee.

A Monthly Business meeting followed with following being discussed.

- Mount Gambier City Council sent a letter of thanks for reviewing the Draft Lease document. Council are now preparing the formal Lease Agreement which should be completed this financial year.
- A review of the Reidy Park Centre determined that an AED Defibrillator was not required as the Centre was not a Public venue. However, all groups within the Centre are encouraged to purchase one.
- Further discussion regarding the proposed street light for our entrance. Several leads are being followed up for a suitable pole at minimal cost.
- The Reidy Park Committee would prefer that the SERG TV hut not be stored at the Reidy Park Centre. I advised we are currently seeking to remove it in November.

The next meeting is scheduled for November 24th 2025.
