Convention report 17/4/2026

(Previous Convention meeting #5-Wednesday the 8/4/2026) and our next meeting #6-Wednesday 29/4/2026

The committee advise that entry will again be \$5 per person. Each person will receive one entry in the door raffle. The SERG Sunday evening dinner will be \$30 per person, for a similar meal to last year. Definitely good value and it was very well attended. Please pre-book to ensure your place.

Maybe this year someone will miss out by not booking early enough?

Remember email convention@serg.org.au for convention bookings and correspondence.

John DJ advised that the council grant application has now been submitted.

Millicent photographic competition photos have been received and passed to Col, HCF, who is working on the certificates. A good suggestion was to present certificates to the home brew winners too.

Greg, VKZGY, and Tim, VKAV, have produced preliminary Foxhunt details (marked as preliminary).

They are now on the web site and Tim is sending this info out to the various groups.

Peter, VKBE, is working towards forest and other approvals now that he has the locations and schedule. Maxwell AC is trying for support from Core-Electronics, Little Bird Electronics, Altronics and APCO MG. Waiting on replies!

Another request for a ham trading table has been received and accepted. We are close to the maximum we can fit in.

Remember the convention is for amateurs by amateurs.

If you can contribute in any way, please do so.

Committee chair

Maxwell VK5AC.
