EDUCATION REPORT APRIL 2026

This past month has seen several training sessions conducted with our 2 candidates for Foundation Licence, followed by an exam session, which on all accounts went fairly well.

There are a couple of other interested parties I have spoken with previously that I need to touch base with to see where they are at.

As usual if you know of anyone interested in foundation or upgrades, then send them my way.

Education activity may be a bit limited for a couple of months till after the convention, but we will try and accommodate any requests.

SERG Education Officer.
