GENERAL BUSINESS:

- Update on Generations in Jazz. Peter, VK5BE, thanked those who have taken the trouble to acknowledge receipt of the list of times and pavilion allocations and for volunteering to help. He would really appreciate just a few more members offering their help in order to be able to provide some back up and possible temporary relief to those who will otherwise have a long day.
- Update on S.E.A.C. T.R.E. on Saturday 9th. May. At this point Peter still needs a couple more offers of help for this rally. Following a question from Nick, VK5NJS, Peter informed the meeting of some more upcoming events and how many would be needed to properly have them covered. He also told the meeting of the possible significant donation that might be attached to the day time rally that will almost certainly go ahead a bit later in the year. Greg, VK5ZGY asked if it might be possible to give a bit more advance notice of upcoming rally type events. Col, VK5HCF, informed the meeting that he, wherever possible, tries to list events for, at least the coming month and a half in each weekly update email.

There being no more general business the meeting closed at 8.45 p.m.
