## Rally Report for April 2026

SERG has received a request from SEAC to provide the communications for another Touring Road Event. About 6-7 volunteer radio operators are required on Saturday evening, the 9<sup>th</sup> of May, to pass messages & times from the various check-points back to Rally Control. All comms will be via The Bluff 2m repeater. The entire event will be conducted in the native scrub in Rennick, with the Borderline Speedway being used for Rally Control. If you can assist, please contact Peter VK5BE via the usual methods.
