

# South East Radio Group

PO Box 1103  
Mount Gambier. 5290

President: Nick Somerville. VK5NJS  
Secretary: Col Huon. VK5HCF

## Convention report 15/5/2026

Previous Convention meeting #6-Wednesday the 29/4/2026  
and our next meeting #7-Wednesday 20/5/2026

**NOTE: On 20th/May it will be just 2 weeks before the convention!**

Remember the email of [convention@serg.org.au](mailto:convention@serg.org.au) for all bookings and correspondence.

John DJ advised us that the council grant application has been approved and the convention is being promoted on the council events web page.

Col HCF has completed all the certificates and they are magnificent. Thanks to John DJ and Col HCF, great result to promote the region and the club. I have approached Harvey Norman for printing.

Peter BE has received the foxhunt approvals for the forest locations and the schedule.

Maxwell AC's attempts at support from Core-Electronics, Little Bird Electronics, Altronics and APCO MG are getting little response!

Elite and VKradio are each supplying raffle prizes, just no idea what that may be until they land! Be there, or be square!

We are at the maximum number of amateur trading tables that can fit in! Good to see such a high level of support by amateurs. A real focus on amateur trading this convention. There will be something for everyone I feel sure.

Remember the convention is for amateurs by amateurs.

If you can contribute in any way, please do so.

Committee chair

Maxwell VK5AC.
