EDUCATION REPORT MAY 2026

There has been no training activity this last month.

Scouts SA are running a training course in Adelaide for Scouts soon. It seems the course advertising across their network has peaked the interest of the local scouts, who have asked the Adelaide Scout trainers to train and assess them. There is a hike later in the year in which having radio operators will be an advantage.

This request has been passed to me. I am waiting further details and will follow through when these are provided. From what I understand it may be a few leaders and senior scouts, maybe 5 or 6.

That's all for this month.
