2025/2026 Reidy Park Management Committee **report by Maxwell Osmond VK5AC – for SERG AGM** **meeting held 21/8/2026**

- SERG was well represented in all working bees ie grass cutting, hedge trimming and gutter cleaning. Great to see SERG committing to the location and this was noted in the committee meetings.
- New martial arts area has been filled with a new tenant, so the centre is now fully tenanted.
- This year 2026 the Council Asset and Management team visited the site and appear happy with the tenants and the committee, suggesting no change is predicted. Secretary Robert Wood provided photos and information on the roof rust condition.
- The Council Asset and Management committee advised the building lease agreement was being worked on and supplied a guideline proposal document. We are now waiting for a lease based upon that document. Previous conditions are continuing on a month by month basis
