GENERAL BUSINESS:

- As we have now sold most of our stock of RG8 and RG213 coaxial cable do we wish to purchase new rolls of both. **Tom, VK5NFT offered to investigate a source and price. He is to report his findings back to the club.**
- The spring tension on the middle door of the club shed has slacked off over time to the point where it is now difficult to lift up and it will not stay up. The springs need re tensioning. Also, the locking bar guides on our main door are broken and a new set need to be made and fastened. **After some discussion it was decided that this is a matter for the Reidy Park Centre to act on and Maxwell, VK5AC, agreed to bring it up at the next meeting of the R.P.C. committee.**
- Norbert, VK5MQ, reminded the meeting that, following discussions within the club's executive committee it has been decided that we should hold our coffee mornings in Millicent every three months. (eg: Four times per year)

The first of these events will take place on Thursday 3rd. of September and secretary Col, VK5HCF, will adequately publicise when and where.

Car pooling will be arranged in order for as many members as possible to attend.

There being no more general business the meeting closed at 9.00 p.m.
