2nd by: Steve, VK5GL Carried.

GENERAL BUSINESS:

- Discuss email from Pakistan. Following a bit of discussion it was decided that the best course of action would be to forward the email to Tim, VK5AV and ask if the project would be of any interest to him as our education officer. If he is interested Col, VK5HCF is to email Preetish and ask for a price.

- Discuss the email from Zain Ali Khan re the donation of an SDR dongle. Following some discussion Peter, VK5BE, offered to donate a suitable unit that he has somewhere at home and will never use. John, VK5DJ moved that the club accept Peter, VK5BE's offer to donate the dongle to the school in Pakistan and then offered to pay the cost of getting it to the school. John's motion was seconded by Maxwell, VK5AC.

- Discuss feasibility of installing an ADS-B tracking receiver at The Bluff to support the tracking of aircraft movements. Peter, VK5BE, discussed the benefits of doing this, (Assistance for emergency services being better able to track water bombing aircraft during a bush fire for one), and he was backed up in this opinion by Leith, VK5FLAR.

Peter, VK5BE, then MOVED that the South East Radio Group approach the Flight Radio organisation seeking approval to install an ADS-B tracking system at the Bluff. Peter's motion was seconded by Steve, VK5GL

There being no more general business the meeting closed at 8.23 p.m.
